

ceramic program that we are able to purchase five new pottery wheels to help accommodate more students and replace some old wheels that are always breaking down. The new pottery wheels were ordered in May and unfortunately the supply chain issue has delayed the arrival of the new wheels 😞. We are anxiously waiting! Hopefully they will be here by February 11<sup>th</sup> which will be our Soup Extravaganza, a fundraiser for the ceramic program.

Thanks to grants received last year for shuttered venues, we were able to hold our summer concerts outside with new lighting, a sunshade and a n enthusiastic crowd that was excited to attend concerts aga in!

We look forward to your continued support as a "Friend of the Barn"; however, most importantly, your friendship!

**Thank You!**
